Description

Villa Mimosa is a truly exquisite gem high above Port de Andratx and surrounded by a well tended Mediterranean garden. The Mediterranean dream property is a master piece created by a passionate architect, who has managed to capture visual excellence from every room angle and window. From the moment the gates shut behind you, an air of luxury, comfort and tranquility envelops you. The hypnotic sound of the sea soothes away any stress; the sweet aromas of oleander flowers awake your senses. And, everywhere you look, the views are sensational. From almost every room you are greeted with the most sensational views of the harbor of Port Andratx, the ocean, Dragonera Island and the Tramuntana Mountain Range in the distance.

Villa Mimosa's mission is to create an escape for the traveller who wants the same quality and service of a five star hotel but prefers to vacation in more private surroundings. Interior designed throughout the generous lounge with open plan kitchen, dining area and large panoramic windows offers luxurious comfort and a Mediterranean ambience.

The main villa hosts two very spacious master bedrooms complete with en suite luxury bathrooms, Sat TV and access to private balconies with stunning ocean vistas and two more large en suite double bedrooms. Two further en-suite bedrooms are located in two guest apartments with en-suite bedrooms and separate entrances. Well furnished terraces on different house levels provide for privacy, if needed, while the sea-facing infinity pool invites for a refreshing swim.
