Specials

One of the most popular places on Sa Punta de S'Aguila is the large terrace and outdoor dining area - perfect for a late night dinner or cocktail. The approximately 680-acre estate with its many small trails can be perfectly explored by mountain bike or by hiking. The traditional Mallorcan villages of Banyalbufar and Esporles are just a few miles from Son Bunyola and offer a variety of restaurants, tapas bars and other local amenities. The estate Son Bunyola includes the two fincas Sa Terra Rotja and Son Balagueret, which can also be booked together for company parties, family celebrations or weddings.
