Description

The impressive Villa Santanyi near Santanyí nestles on a hill with stunning panoramic views over the sublime scenery to the ocean. A private driveway lined with cypress trees leads through the 20.000 m² beautifully landscaped property to the stately main house. All rooms are furnished and decorated with great taste and attention to detail, offering luxurious accommodation and a most comfortable life style

The ground floor level comprises a large, sun-lit entrance hall with several French doors opening to the spacious lounge with fireplace, the formal dining area and an adorable professional country kitchen. There is also a separate dining room opening to a patio with summer kitchen and Gas BBQ.

Two en-suite bedrooms also open up to this patio, while the other 3 bedrooms (3 double bedrooms and a childrens' bedroom) are located up two flights of steps in the upper level, and there is also a well equipped playroom for children.

The outdoor area also leaves nothing to be desired. Several terraces with comfortable, high-quality seating offer ample space to either unwind in privacy or to entertain guests. The beautifully landscaped garden features a pool (10 x 5 m) and plenty of space for sunbathing and enjoying the superb sea views, while two beautiful, comfortably furnished pavilions provide for shade on hot summer days.
