Description

The Finca is an impressive and exclusive destination for our discerning guests. The newly built Finca was designed for maximum enjoyment and features an unusually generous layout, a stylish, modern and sun-lit interior, as well as a lavishly designed outside entertainment and pool area with enchanting panoramic views across the serene, rural scenery. Its central location allows fast and easy access of several towns, beaches and tourist attractions nearby.

A private driveway fringed with lavender bushes leads to the large courtyard in front of the main entrance. The beautiful 200- year old restored entrance door opens into an impressive reception hall with gallery. Adjoining lies the generous, open-plan main lounge with open fireplace and dining area, the comfortable family room with Sat-TV and stereo HiFi and the beautiful kitchen, all opening up onto the large main terrace. The other wing of the Finca hosts one double bedroom with bath en-suite and access to a private terrace. The other 3 spacious bedrooms are located upstairs, all with en-suite bathrooms and access to 2 generous terraces with gorgeous views.

A few steps down from the 60m² main terrace, south-facing and embedded into immaculate garden lawns lies the very large lap pool (16 x 4,5 meters), another place to relax and celebrate a most privileged Mediterranean lifestyle in most inspiring surrounds.
